

What bothers you most about Prohibition?

- Loss of Civil Liberties?
 - Wasted Tax Dollars?
- Police Corruption?
 - Funding Terrorists?
- Targeting the Sick and Disabled?
 - Bloated Prisons?
 - Escalating Teen Use?
- Increased Violence?

All of these societal ills and more can be traced to drug prohibition, commonly known as the "War on Drugs." What can you do? To learn more, contact:

DrugSense and its Media Awareness Project (MAP) combine to form a 501(c)(3) non-profit organization that provides accurate information about drug policy. We heighten awareness of the damage caused by the War on Drugs, inform the public about rational alternatives to it, and organize citizens to bring about needed reforms.
